Citizenship Revocation & Suspension Ordinance 2026

ARTICLE I — CITATION & PURPOSE

Section 1.1 — Short Title

This Ordinance shall be cited as the Citizenship Revocation & Suspension Ordinance 2026, and shall be read together with The LoL Citizenship Act 2026 (THELOLGOV-29-03-2026-0001).

Section 1.2 — Purpose

This Ordinance establishes the formal procedures, grounds, and consequences for the suspension and revocation of citizenship of The Legend of Legiona. It exists to protect the integrity of The LoL community, the safety of its citizens, and the reputation of the nation within Skyxion.

ARTICLE II — GROUNDS FOR SUSPENSION

Section 2.1 — Administrative Suspension

A citizen's status may be placed under Suspension by the Administration in the following circumstances:

(a) Failure to renew citizenship within the one-week grace period following a Season reset, as per Article VII of The LoL Citizenship Act 2026.

(b) Continuous inactivity exceeding three (3) months, as per Article VIII of The LoL Citizenship Act 2026.

(c) Pending investigation into alleged conduct that may constitute grounds for revocation, where immediate revocation is not yet warranted.

(d) At the discretion of the Administration, where circumstances require a temporary pause in citizenship standing.

Section 2.2 — Effects of Suspension

A suspended citizen loses access to The LoL's communication channels, national resources, and any active member privileges during the period of suspension. Their citizenship is not permanently terminated during suspension, and reinstatement is possible under Article V of this Ordinance. A suspended citizen may not represent The LoL in any official capacity.

ARTICLE III — GROUNDS FOR REVOCATION

Section 3.1 — Conduct-Based Revocation

The Administration may revoke citizenship at any time, with immediate effect, if a citizen is found to have:

(a) Caused serious harm to The LoL's image, reputation, or standing within Skyxion.

(b) Engaged in griefing, theft, harassment, or targeted aggression against The LoL citizens or the nation's infrastructure.

(c) Committed acts of terror or unprovoked hostility against any other nation, squad, or group in Skyxion that reflects negatively on The LoL.

(d) Violated the Kawaiisho server rules in a manner that results in a ban, kick, or formal disciplinary action.

(e) Repeatedly breached the obligations set out in Article VI of The LoL Citizenship Act 2026 despite prior warning.

(f) Provided false information in their citizenship application, including but not limited to false IGN, undisclosed prior bans, or false age declaration.

(g) Acted in a manner that, in the judgement of the Administration, is fundamentally incompatible with the values and obligations of citizenship in The LoL.

Section 3.2 — Automatic Revocation

Citizenship shall be automatically revoked, without the need for a formal decision, in the following circumstances:

(a) Failure to renew citizenship within one (1) week following the suspension triggered by non-renewal after a Season reset.

(b) Continuous inactivity exceeding one (1) full year, as per Article VIII of The LoL Citizenship Act 2026.

Section 3.3 — Effects of Revocation

Upon revocation, the individual immediately ceases to be a citizen of The Legend of Legiona. They lose all rights, protections, and access granted under citizenship. The Administration will remove the individual from all The LoL communication channels. The individual may reapply for citizenship under The LoL Citizenship Act 2026, subject to eligibility review by the Administration.

ARTICLE IV — VOLUNTARY RENUNCIATION

Section 4.1 — Right to Renounce

Official document. Administered by the Office of the Government.

Any citizen of The LoL may voluntarily renounce their citizenship at any time by notifying Faiz4224 or a member of the Administration directly. No reason is required. Voluntary renunciation is an exercise of personal choice and is processed without penalty.

Section 4.2 — Process

Upon notification of voluntary renunciation, the Administration will process the renunciation promptly. The citizen will be removed from The LoL communication channels and their citizenship record will be marked as 'Voluntarily Renounced'. A former citizen who renounced voluntarily may reapply for citizenship under The LoL Citizenship Act 2026 and will be treated as a new applicant.

ARTICLE V — PROCEDURE FOR CONDUCT-BASED REVOCATION

Section 5.1 — Decision Authority

All conduct-based revocation decisions are made exclusively by Faiz4224, as First President and founding administrator. Faiz4224 shall consult with Imii Kun and Dyno before issuing a conduct-based revocation where circumstances allow. In urgent cases where immediate action is required, Faiz4224 may act unilaterally and inform the co-founders thereafter.

Section 5.2 — Notification

Where reasonably possible, the affected citizen shall be notified of the revocation decision through their registered contact information. The Administration is not obligated to provide a detailed reason in all cases, particularly where the grounds are clear or where national security or community safety considerations apply.

Section 5.3 — No Formal Appeals Process

There is no formal appeals process for revocation decisions. The Administration's decision is final. A former citizen may, at their discretion, contact the Administration directly to seek clarification. The Administration may at their discretion reconsider a revocation if compelling new information is presented, but is not obligated to do so.

ARTICLE VI — REINSTATEMENT

Section 6.1 — Eligibility for Reinstatement

A former citizen whose citizenship was suspended or revoked may be reinstated or may reapply subject to the following:

(a) A citizen suspended under Section 2.1(c) or 2.1(d) may be reinstated once the Administration determines the circumstances that led to suspension are resolved.

(b) A citizen whose citizenship was revoked due to inactivity or non-renewal may reapply as a new citizen at any time, subject to standard eligibility under The LoL Citizenship Act 2026.

(c) A citizen whose citizenship was revoked on conduct grounds may only reapply at the Administration's discretion. The Administration may impose a waiting period or conditions before reapplication is accepted.

Section 6.2 — Reinstatement Fee

Reinstatement or reapplication following revocation is subject to the standard renewal fee applicable at the time, as set out in The LoL Citizenship Act 2026. The Administration may waive or modify this fee at their discretion.

ENFORCEMENT & PENALTIES

Official document. Administered by the Office of the Government.

This Ordinance is enforced by the Administration with assistance from the Internal Security Control (ISC) where applicable. The ISC may flag conduct violations to the Administration but does not have independent authority to revoke citizenship. All final decisions under this Ordinance rest with Faiz4224 in consultation with Imii Kun and Dyno.
